

Are you involved in Child Protective Services (CPS)? Do you want information and resources?

CHILD PROTECTIVE SERVICES 101 FOR PARENTS, BY PARENTS

Informational sessions are facilitated by parents who have experienced CPS

A free, one-time, two-hour virtual session for parents who are involved in Child Protective Services in Maine

- You will hear from professionals who work with parents.
- We will share tips on navigating the process.
- You will receive an informational packet.

This session is voluntary for parents involved in Maine's Child Protective Services.

* Data will be collected on participants but will be de-identified to not include participants' names or other identifying information.
